

YATTON CHURCH

FOREWORD

Covid severely restricted surveying action by YCCCART members. In order to continue meeting, when we could, a small group of us started looking at Yatton church, initially the outside only.

The results of periodic action from 2020 to 2022 has led to a series of reports.

The first three reports cover

The inside of the church

- 1) South porch, nave and aisles
- 2) Wyke and Newton chapels
- 3) Chancel and crossing

Future reports will hopefully include

- 1) Church graffiti
- 2) The outside of the church
- 3) A selection of graves

I would like to thank the following:

YCCCART members John Wilcox, David Long and Graham Bohannon for photographs, proof reading etc. Marianne Pitman of Yatton History Society & YCCCART for invaluable information and documents. Alan Guard for enabling access to the vestry. Mary Short with helping with Latin text. Lastly Vince Russett for inspiring this project and final editing.

Chris Short September 2022

COVID – A REMINDER

Please do not touch

This will help prevent spreading the virus.
